Our

Board

Hello from **Nick Atkin**, Chief Executive and **Ingrid Fife**, Chair of YHL Board...

Who we are

You might think of Yorkshire Housing as ‘just’ a housing provider, but we’re so much more than that.

We’re here to make a positive difference in people’s lives. So, as well as owning and managing nearly 20,000 homes (and counting) across Yorkshire, we also:

- Offer money and tenancy coaching
- Help older customers live at home independently
- Adapt homes to match the needs of our customers
- Carry out repairs and replace items before things go wrong
- Provide antisocial behaviour support.

Our values

Our values describe what matters most to us, and what our colleagues should expect from each other. All our colleagues are expected to show how they support and live up to these values in their work.

Create trust

Do the right thing, not the easy thing • Be honest and open • Do what you say.

Be curious

Think differently • Ask questions • Keep learning.

Make it happen

Own it • Do it • Be empowered.

Achieve impact

Do things that matter • Deliver results • Show pride and passion.

Have fun

Enjoy work • Be yourself • Stay connected.

Our customer promise and vision...

We want to make it possible for people to have a place they're **proud to call home.** That's the reason we get out of bed every morning. We want to be people's number one choice when it comes to renting or buying a home in Yorkshire.

We're a landlord who cares, and that means more than just putting a roof over people's heads. Home should be a place where people can thrive. So we offer personalised services for customers who need it and make sure we listen to customer feedback so we can continually improve what we do.

“ Our vision is to be the UK's best housing provider. That's pretty ambitious right? ”

We believe that our vision should 'scare us a little, but excite us a lot', and no-one feels inspired by aiming for just good enough! We want to lead the way and be known for great services, innovation, customer and colleague experience.

Our aim to be the best covers all parts of our organisation and works for all housing types whether that's social rent, market rent, shared ownership or market sale. Being bold on this also helps us to attract and keep the best talent. Because talented people don't want to be average.

Our priorities

We launched our shiny new Business Strategy in February 2023. It sets out our three priorities over the next few years to take us towards our vision.

1. Customer obsessed

Improving our customers' and colleagues' experience.

2. Homes and places to be proud of

Creating places people are proud to call home.

3. Pre-emptive

Our game-changing shift to dealing with issues before they happen.

To do this, we're thinking differently (innovation is our thing!) and investing in our digital infrastructure so we can offer more and get the best results for our customers.

We're improving our data so we can make better, smarter decisions and reflect the diverse needs of our customer groups.

We're well on our way to achieving our target of building 8,000 new homes across Yorkshire – focusing on energy efficiency, sustainability and affordability, as well as smart tech to support our drive to pre-emptive services.

How we work

We're also obsessive about creating the right climate and culture for our 900+ people to thrive at work.

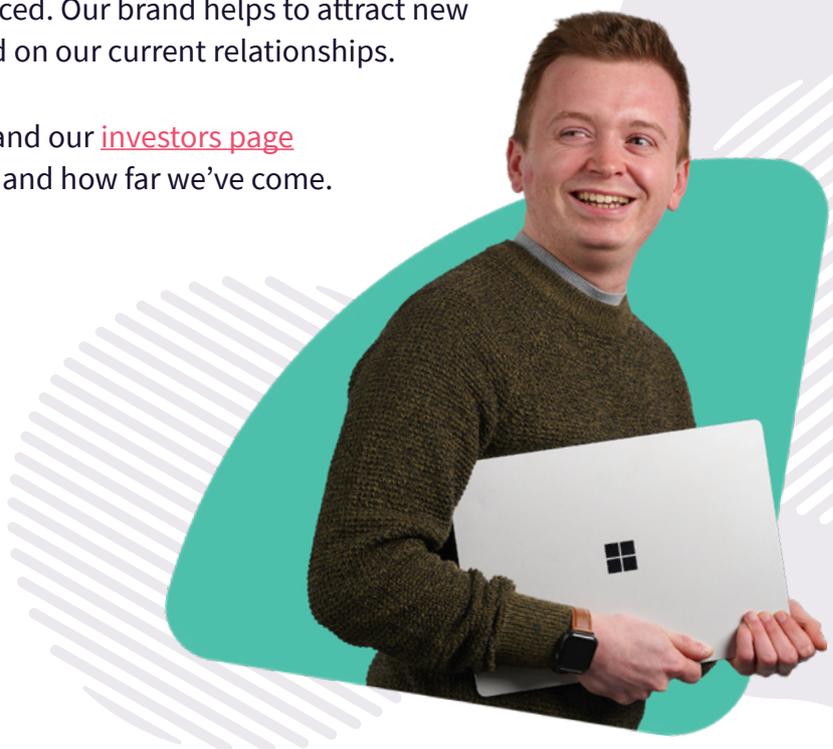

If we get it right for our colleagues, they'll get it right for our customers.

Our Hub, Home and Roam approach to work helps to set us apart – we offer choices in where, when and how our people work and we've ditched the 9-5 in an office mentality.

We prioritise investing in our people, creating an inclusive environment, supporting colleague wellbeing, and making Yorkshire Housing a fun, friendly and vibrant place to be. It helps us to recruit and keep the best people.

And, our efforts don't go unnoticed. Our brand helps to attract new business partnerships and build on our current relationships.
