About the role

Role purpose

You will be responsible for undertaking electrical repairs and alterations to existing fittings and fixtures, rewiring partial or full properties, including inspection, testing and the provision of certification and reporting on the condition of electrical installations components and equipment.

Provide amazing customer service at all times to our customers and understand their responsibility in being a customer facing operative and an ambassador for the organisation.

The post holder will also work closely with the compliance team in ensuring work is undertaken safely and ensuring best safety practice is adhered to at all times.

Here's some of the things you'll be doing

We're Yorkshire by name and by nature. And we make it possible for people to have a place they're proud to call home, whether that's to rent or to buy. It's our people that make that happen, and here's how you'll be supporting:

Key responsibilities:

- Undertake electrical repairs and alterations to existing fittings and fixtures, rewiring partial or full properties, including inspection, testing and the provision of certification and reporting on the condition of electrical components and equipment.
- Assist the Repairs and Investment Delivery management team in the diagnosis and inspection of required works. Carry out and complete all required work to the very highest standards of quality and care in accordance with compliance and operational practice and procedures and industry best practice
- Produce accurate records of all work undertaken in the format required and provide timely information to the Repairs and Investment/Compliance team relating to works undertaken as required. Resolve where practical any minor/routine technical difficulties on site, liaising with your Team Leader as required.
- To record the results of all tests daily and checks correctly to ensure adherence with compliance procedures at all times.
- Be able to use existing and new systems to record work in an accurate manner, including relevant IT systems.
- To represent Yorkshire Housing at all times ensuring the exemplary customer service is provided in a professional and courteous manner.
- Carry out and complete all required work to the very highest standards of quality including ensuring customers properties are left clean and tidy and minimal disruption is undertaken where possible.
- To actively support and liaise with the Electrical Compliance team with regards to future policies and procedures for maximising performance and ensuring Customer Satisfaction levels and collating the data. Ensuring all repairs and inspections are carried out efficiently and within timescales to maximise the performance of the service.
- Work safely within the terms of our policy and procedure at all times and proactively ensuring that updates and changes to procedure are adhered to and followed at all times
- Use own initiative, resolve where practical any minor/routine technical difficulties on site, customer complaints and if necessary, ensuring relevant escalation to team management/relevant department to Yorkshire Housing.

- Ensure that any safeguarding concerns are reported in a timely manner.
- Work as part of a team, liaising with other trades and resource/compliance colleagues, to minimise disruption to customers and deliver work in a timely manner.
- Assist in the effective delivery of materials and supply by liaising closely with your management and suppliers
- Ensure correct PPE and equipment that is supplied is maintained in good order and, if necessary, procured following the correct procedure.
- Uphold the corporate image of Yorkshire Housing by keeping vehicles in good order and clean, along with advising management of any vehicle issues as appropriate and adhering to the Fleet Policy at all times

As you can imagine, the above might not be all you'll be responsible for in role so you might be asked to take on some other key responsibilities if they're suitable for your role.

So, what will you bring to the role?

The main things:

- Previous relevant experience, undertaking electrical installation, repairs, fault finding and inspection, testing and certifying in occupied domestic properties
- Formal qualifications of City and Guilds Level 3 (or recognised equivalent qualification) in a related electrical field, City and Guilds 2382 (18th edition), NVQ in Electro technical Services, AM2 Certification and 2391-51 Periodic Inspection and Testing of Electrical Installations Level 3 (or recognised equivalent or greater qualification)
- Membership of a formal body
- Knowledge of best practice and understanding of relevant building regulations.
- Demonstrate a working knowledge of current Health and Safety best practice
- Ability to plaster patch
- Good standard of general education to GCSE (or equivalent)
- You will have excellent communication skills and be able to use your initiative in resolving low level complaints
- Experience of problem-solving techniques in a customer facing environment.

- Be able to deal with different priorities and to tight deadlines, whilst maintaining high standards of work
- Ability to be flexible and work as part of team to meet operational needs.
- Able to plan, prioritise and manage workload under pressure to meet deadlines
- Basic IT skills (use of apps, handheld devices/Smartphone)
- Full UK driving licence
- You must have the ability to work outside normal office hours on an occasional basis and a willingness to respond to out-of-hour emergency calls
- Eagerness to develop own skills and adapt to change.
- Personal values and approach that align with YH's values
- Ability to work flexibly in line with Hub, Home and Roam principles.
- An understanding of Equality, Diversity and Inclusivity and how this is applied through our service to customers and colleagues.

It would be a bonus if you have:

- Previous experience/qualification of working in a commercial environment.
- Previous experience working for a Housing Association or some other large organisation undertaking high volume electrical installation/repairs/servicing.
- Previous experience using Servicesoft or similar software

Our Yorkshire Housing values

What are they?

Our values describe what matters most to us, and what our colleagues should expect from each other. We're all expected to show how we support and live up to these values in our work.

Our colleagues are amazing

We want colleagues to feel free to be themselves, which means we all share responsibility for promoting a culture of equality, diversity and inclusion. We're also each accountable for our own health and safety by following our policies and completing any training needed for our roles. Our colleagues are amazing, and the diverse skills and abilities they bring to work every day are what make Yorkshire Housing such a special place to be. You spend a lot of your waking hours at work, so we're committed to giving you a workplace where you can truly be yourself, feel valued, and have opportunities to progress and develop.
